GRAPE & CHEESE DISCOVERY

Wine and cheese are ageless companions, like aspirin and aches, or June and moon, or good people and noble ventures. --(M. F. K. Fisher)

WINE AND CHEESE ARE A MATCH MADE IN CULINARY HEAVEN!

Select three wines from the list below and accompany your wines with our recommended cheese pairings.

FREIXENET CAVA

Penedès, Spain | Cava is a sparkling wine made of Macabeo, Xarel-lo and Parellada grapes. A protected description for a wine, which must meet the most stringent of regulations if it is to be so named. Dominated by citrus aromas, hints of white fleshed fruit, honeysuckle and wet stone. Dry, high acidity with a lingering, but refreshing grapefruit finish.

Cheese pairing: Sheep, aged, savory cheeses

RIESLING UNPLUGGED TESCH

Nahe, Germany | The term unplugged stands for acoustic musical performances that allow the performer to reach the audience in a personal and intimate manner. Initially German nationalists opposed the name since bottle was named in English, however, the producer was determined to keep it as it is. Unplugged is driven by racy, ripping acidity, driving heady yellow fruit, green fig, white peach and honeysuckle, all cut by weathered stone and funky earthiness with dense, vibrating finish.

Cheese pairing: Soft, bloomy rind cheeses

VILLA WOLF ROSE

Pfalz, Germany | The philosophy of Villa Wolf is based on the belief that great wines must start in the vineyard. Working closely with nature, using sustainable practices to nurture biodiversity in the vineyards, it provides a healthy and diverse microbiology in the soil. This is important for wines to express the character of the grape and the soil in which it is grown. The wine has a lovely aroma full of strawberry and watermelon notes plus a touch of tomato plant.

Cheese pairing: Young goat cheeses

STELLENRUST PINOTAGE

Stellenbosch, South Africa | Stellenrust boasts today with being one of the largest family owned wine estates in South Africa carrying through generations of winemaking skills. Pinotage is one of the grapes showing most potential in South Africa. It may not be everyone's cup of tea, but if it is grown and vinified correctly, it becomes an interesting wine with depth and character able to compete with any of the other noble varieties.

Cheese pairing: Semi-Hard cheeses

WOODBIDGE CABERNET SAUVIGNON

California, USA | A Family who showcased Napa Wines to the world - Robert Mondavi pursued his second vision of creating delicious wines for everyday enjoyment. As a result, Woodbridge was created. This Californian Cab Sav. delivers a pure expression of fruit. Plum, wild berry and coffee aromas and flavours, with balanced acidity and supple tannins. Nutty, toasty notes reflect well-judged oak ageing.

Cheese pairing: Hard, Smoked cheeses

FINE TAWNY PORT

Douro, Portugal | Port Wine is a sweet, red, fortified wine from Portugal. Mellow nose of succulent ripe berry fruit with aromas of butterscotch, figs and prunes interwoven with attractive nutty and spicy aromas. Smooth and round on the palate, full of rich strawberry jam flavors.

Cheese pairing: Blue cheeses
