# GRAPE & CHEESE DISCOVERY

Wine and cheese are ageless companions, like aspirin and aches, or June and moon, or good people and noble ventures. --(M. F. K. Fisher)

**WINE AND CHEESE ARE A MATCH MADE IN CULINARY HEAVEN!**

Select three wines from the list below and accompany your wines with our recommended cheese pairings.

## ROCCA DI MONTEMASSI CALASOLE

**Toscana, Italy** | A brilliant straw yellow color with green hues. Elegantly balanced with aromas of citrus, green melon, fashionable minerals, and delicate white flowers. The palate reveals a silky texture, with mouthwatering green apple, citrus and stone minerals that lead to a long and refreshing finish.

**Cheese pairing:** Cow, Soft, savory cheeses

## ROCCA DI MONTEMASSI SYROSA

**Toscana, Italy** | Rocca di Montemassi is a wine farm nestled in the heart of the Tuscan Coast. Located in the low foothills of Montemassi (Maremma area) between the Mediterranean coast and the hills. Very pale pink colour. Closed on the nose, discreet notes of Gletschereis herbal liqueur, with slightly buttery tones. Creamy on the palate, reminiscent of strawberry cake, with well-integrated acidity, but seems relatively short on the finish.

**Cheese pairing:** Semi hard cheeses

## SCALABRONE ROSATO DE BOLGHERI

**Toscana, Italy** | Guado al Tasso Scalabrone Rosato di Bolgheri is a rosé style wine blended from three grape varieties, Cabernet Sauvignon, Merlot and Syrah. The vineyard, as well as the wine, takes its name from a bandit named "Scalabrone" who roamed the Bolgheri area in the early 1800's, a local Robin Hood who raided the ships in Bolgheri's old canal harbour. Scalabrone is light peony pink in colour. On the nose fragrant notes of red fruit and light aromas of ripe yellow fruit complete its bouquet. The palate is vibrant with pleasing freshness and a fruity persistent finish.

**Cheese pairing:** Young soft cheeses

## RUFFINO CHIANTI

**Toscana, Italy** | The Chianti di Ruffino is born in the vineyards located in the most suitable hilly areas of the Chianti appellation. It is mainly produced with Sangiovese grapes and with grapes from complementary vines, harvested in mid-September. Fermentation takes place in stainless steel tanks at a controlled temperature of 26 ° C for about 2 weeks, without receiving further aging in wood, in order to enhance the floral and fruity notes.

**Cheese pairing:** Semi hard cheeses

## CASTELLO DI ALBOLA CHIANTI CLASSICO

**Toscana, Italy** | Chianti Classico contains all the salient features of the vineyards at Castello di Albola. Sangiovese grapes are scrupulously harvested and vinified on their own in the traditional style of the upper hillside areas in the most suitable area of ? Radda. Lengthy ageing in large Slavonian oak barrels helps to underline its imperious personality, in which considerable minerality, the freshness of the palate and the overall elegance stand out. Ruby-red tending towards garnet. Elegant with delicate scents of violets. Vibrant and medium bodied, revealing lively cherry and exotic spice, and leading to polished tannins and a delicate finish.

**Cheese pairing:** Hard cheese

**No other offers or promotions apply.**
